RECOMMENDATIONS 2017

Key recommendations of TI Cambodia are:

1. Ensure an enabling environment for anti-corruption, rule of law and democratic governance to flourish
2. Tackling corruption in the judiciary and promotion of access to justice. Ensuring an independent judiciary is key to building public trust and enhancing confidence among investors
3. Ensure independence of the Anti-Corruption Unit and enforce the anti-corruption law more effectively
4. Timely adopt the draft laws on the Protection of Reporting Person and on the Protection of Witness, Expert and Victim and the law on Access to Information and application of the laws indiscriminately
5. Amend a number of articles of the current Anti-corruption Law, including emphasizing the importance of public asset declaration and including spouses and immediate family members in the asset declaration requirements
6. Combat nepotism and conflicts of interest in public institutions
7. Promote culture of integrity, transparency and accountability across all spectrum of the society
